RJ45 PLUG SAVER REPAIR CLIPS

Easily Repairs Broken RJ45 Modular Plugs

Don't throw away your damaged patch cord! Use Quest RJ45 Plug Saver Repair Clips. Just snap the clip in place over the broken RJ45 mod plug, and slide forward until it snaps in next to tab base.

- ✓ **Uniquely designed to fix any broken RJ45 plug**
- ✓ **Saves damaged patch cords from being replaced**
- ✓ **Snaps patch cords firmly to network**

PATCHLOC™

A Universal Locking Clip For RJ45 Patch Cords

PatchLoc: A universal locking clip for RJ45 patch cords. This low-profile, nylon clip prevents the removal of patch cords. In addition, it also acts as a security port blocker.

- ✓ **Low-profile nylon locking clip for RJ45 plugs**
- ✓ **Prevents the unwanted removal of patch cords**
- ✓ **Requires security key to remove patch cords**
